

3rd March 2016

Dear Parents & Carers,

Discounted CGP Study Books

As you know, the school curriculum has changed recently and the expectations for each year group are now a lot higher.

In order for you to support your child at home with the demands of the new curriculum, we are offering you the opportunity to purchase a range of CGP study books. Each book contains a range of questions and also has a pull-out answer section. These books are not compulsory and we will not be setting any specific homework tasks from them. From previous experience, we have found that they can be extremely useful to reinforce learning at home and to provide parents with an overview of the type of learning that is happening at school.

If you would like to take advantage of this opportunity, please complete the form below and return it with the relevant payment to the school office by **Friday 25th March**.

Kind regards,

Year 5 Teachers
