Family Wall in Nursery

Most of you will have noticed our wall that contains all the family photographs you have brought in. We would like to turn this into a wall which will allow you, as parents and carers, and your children to contribute to. Moving forwards, we would like to invite you to bring in any fantastic work that your children have completed, or any special news you wish to tell us about. You can then stick these things on the family wall as and when you want to. This will be a great opportunity for you to share and celebrate your children's achievements. If you want to tell us about some exciting news, please feel free to fill out a 'Parent Postcard', which will be placed near the family wall. We look forward to reading about, seeing and commending your children's accomplishments!

Fortnightly Family Task

Parent Postcards:

Pick up a postcard! You will now find these in a new location, next to our family wall. Please take one and share some exciting news with us! This could be anything from your child trying to write his/her name, to creating a beautiful winter picture, or counting forward and backwards!

If you have any questions please speak to your child's keyworker.
