English

Book of the week: The Paper-Bag Princess.

We will be learning about: Features of a newspaper including headline, picture, caption, writing in the past tense and re-telling the key facts.

How to support your child: Show them any appropriate newspaper articles. Look at how they are laid out and their different features. Ask them to retell their weekend news focussing on the main events.

Maths

We will be learning about: Division.

The children need to recognise the \div sign and answer questions by sharing. We are also beginning to learn division facts for the 2, 5 and 10 times table.

Key vocabulary: Divided by, share, share equally, group, division.

How to support your child: Make sure they know their 2, 5 and 10 times table (as we will be looking at the inverse operation)
