Tuesday 18th April

Oswald Road

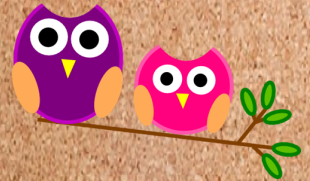

Our Book of The Week: Supertato

Veggies Assemble

Word of the week: like

Sounds of the week: All phase 3

## Announcements & Reminders

Green Parent Helpers: After half term we would like to begin doing some planting in both Nursery and Reception. If it is something you are interested in and you think you may like to join us in brightening up our playground, please speak to your child’s class teacher..

Reception Fund: We are running low on our Reception fund. If you could please help us by contributing even 50p that would be fantastic.

Drop Off/Pick Up: We still have quite a few children arriving late at drop off time. It is important that we are all ready to begin learning time at 9am . Should you be late please allow the children to go and hang up their own coats and bags etc. It is also very important that children are collected on time. Teachers have responsibilities after school including meetings in big school which require them to leave the classroom.

## Fortnightly Family Task

Can you create your own Supertato with a grown up? Take a photo or bring him in and we will take one for your learning journey.
