

The Hoot

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Special thanks are due this week to all the parents of children in 4MQ who were able to attend their class assembly. It was wonderful to have such support for the children's efforts. We would particularly like to thank the volunteer Morris and Limbo dancers for being such good sports!

There are several events at the planning stage for this term, relating to topics on Living Things and Anglo - Saxons. We shall advise further when these are finalised.

Swimming started up again today and will continue until further notice.

English & Maths

Next week in English we will be working on our new class book 'The Arrival', focussing particularly upon inference of feelings and actions through the medium of drama.

In maths we will be continuing our work on fractions, looking at equivalent fractions with the same value.

This week's spellings:

adventurous	carnivorous
coniferous	conspicuous
dangerous	famous
generous	herbivorous
joyous	marvellous

Spelling pattern = ous

Spellings are tested every Friday.

Please remember that all children are required to read daily and add to their reading records

Fortnightly Topic Task

The topic task for this fortnight links to our science topic on living things and their habitats. We would like the children to pick an animal of their choice and prepare a poster giving details of its lifecycle, habitat, feeding habits, behaviour and anything else which would be interesting to the rest of the class. Presentation can be in a form of your choice!

This is the main homework and is due on Friday 19th January.
