

12<sup>th</sup> October 2016

Dear Parents/Carers,

## Year 5 Afterschool Science Club

We are really pleased to announce that Year 13 students from Loreto College will be providing a free science club for approximately 20 Year 5 pupils. The after school sessions will run on alternate Thursdays, commencing on **Thursday 10th November** and running until **Thursday 23rd March**, from **3.30pm-4.30pm**.

The sessions will focus on developing hands-on, investigative skills, and will be led by three students from the college, under the supervision of a member of staff from Oswald Road.

If your child would like to take part in the club, please complete the slip below and return to school by **Thursday 20th October**. Please also indicate if you would be happy for your child's photo to be taken during the sessions. Should the club be oversubscribed, we will draw names at random.

If you have any questions or would like more information, please don't hesitate to get in touch.

Kind Regards

Danielle McArdle  
Year 5 Teacher and Science Team Member
