Dear Parents/Carers,

## Year 6 Pencil Cases

With the thoughts of sand castles and sunbathing firmly fixed in everyone's mind, the new academic year seems a while away. However, the children's final year at Oswald Road will soon be upon us!

We would like to do all we can to prepare Year 6 for their transition to high school. As the expectation at high school will be to have all the right equipment, we would like the children to bring their own pencil cases next year, with the following stationary:

- Small pencil case
- HB pencil
- 15cm ruler
- Pencil sharpener
- Rubber
- Protractor

They will not need a pen, as we will provide the same pen for all children. If you are not able to provide this equipment it will be available at school.

Kind regards,

Chris Keeley, Kat Rowe & Natalie Gomez  
Year 6 Teachers
