Announcements & Reminders

Welcome Back!

We hope you all thoroughly enjoyed your Christmas holidays. This half term our topic will be all about traditional tales. It would be great if you could have a go at trying to read different versions of our book of the week and encourage your child to join in with the repeated refrains.

Start of the Day Activity

Every morning, our children will have a start of the day activity to complete upon entry to the nursery. This will be linked to maths or literacy and the children will be able to complete the task in their carpet area. Please could you encourage your child to take part in the start of the day activity, as it is a good method used to kick start the day with a fun and quick learning activity.

Weekly Family Task

Little Red Riding Hood's basket for Grandma: Could you have a go at writing down some of the things you would take to Little Red Riding Hood's Grandma if you were visiting her? You could write down the initial sound or the word.

If you have any questions please speak to your child's keyworker.
