

13<sup>th</sup> February 2017

Dear Parents/Carers,

## Year 5 Computing

Next term in Year 5 we will be learning all about film making in our computing lessons. With this in mind, we would like to ask if any of our grown-ups who work in the television or film industry would be free to come in to class to speak to the children about their profession and how they use technology at work.

If you would be free to come into school to speak to our enthusiastic Year 5 children, please complete the reply slip below and either give it to your child's class teacher or hand it in to the school office.

Kind regards,

Danielle McArdle  
Year 5 Class Teacher
