Dear Parent / Carer

SUBJECT

Dear Parents / Carers,

In case you were unable to attend the KS2 SATs meeting in which I shared some of the key information about the upcoming SATs tests in May - Timetable, sample questions, information on how they will be assessed and scored etc. I have attached a PowerPoint which should hopefully cover the main points and provide you with some key information. (There are 2 different formats included depending on your version of PowerPoint)

A number of parents also asked about revision guides and where they could download sample SATs papers for their children from so I have attached some links to some useful sites as well. Naturally these are just some suggested sites - there are loads of options out there:

[DfE Sample KS2 SATs tests](#)

[Revision guides - Maths GCP](#)

[Revision guides - English and SPaG](#)

[Amazon bundle of Revision guides](#)

If you find any other useful sites where the above can be purchased cheaper then please share it with us and we'll disseminate with the other parents on your behalf.

Many thanks for your time

Kind regards
