

Family English

Free course for parents and carers

Mondays from 9:00am-11:00am

Starting 16th January 2017

10 week course

This course explains how you can support your children with their literacy at home

Come along, meet other parents and learn more about:

-  How phonics are used to prepare children for reading
-  When and how letters and sounds are introduced in school
-  How to support your child with reading, writing and spelling
-  Some fun activities to use at home
-  How to improve your own English
-  Setting goals for your future learning and work.
