

15th December 2016

Dear Parents/Carers,

KS1 Reading Comprehension Workshop

We would like to invite you to attend a reading comprehension workshop on **Friday 27th January** from **9:00am-9:45am** in the staffroom. Refreshments will be provided for those who attend.

Comprehension is the ability to read, process and understand texts. It is vital that children develop these skills so that they can become well-rounded and confident readers. At the workshop we will model how we teach comprehension. We will also be answering your questions and sharing resources and strategies that you can use at home.

We know that parents who have attended reading workshops in the past have found them very useful. One parent said she: "Found it really useful and informative. I discussed the reading structures and strategies with my son and he was delighted to put them into practice- particularly reviewing and discussing the pictures and guessing the storyline before attempting to read any words."

We hope you are able to attend.

Kind Regards,

Jen Dyson & Sarah Greenway
KS1 Phase Lead & Reading Teacher
