

The Hoot

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Our Kingswood residential is coming up soon. Make sure you have taken a look at the equipment list!

Fortnightly Topic Task

This half term we are learning about the Maya. They were an advanced civilisation and they created three calendars. Your task is to design your own calendar. This could be a drawing, a model, an explanation—you can choose how to present it!

English & Maths

In English we are learning about narrative story writing, focusing on building tension within a text.

In maths we are learning about written methods for multiplication, as well as short and long division.

This week's spellings:

Your child has been provided with the Year 5 and 6 statutory spellings this week. We will be focusing on these all year so please keep this sheet to refer to.

Your first task is to work out how to group these words. Look for words which contain similar spelling patterns when you do this.

Please remember that all children are required to read daily!
