

16<sup>th</sup> March 2016

Dear Parent / Carer

## Nursery Trip 21<sup>st</sup> March Reminders

- Please ensure your child is wearing appropriate footwear, preferably wellington boots.
- To make it easy for your child to carry their packed lunch from home or the one provided by school, please ensure a ruck-sack is provided for your child.
- Please ensure your child is wearing a warm coat. Although the sun has been shining, we will be spending the whole day outside and the children may get cold.
- Please ensure appropriate clothing is worn. The day will be very physical so long dresses or dressing up clothes are not advised. We would prefer comfortable clothes which do not need to be kept clean.
- We would advise each child to have their own water-bottle.
- If your child is prone to toilet accidents, please ensure a change of clothes is available to take with us.
- We will be taking all inhalers which we have in school but if your child's medication is at home please ensure it is brought in.

**Inspiration & Success**
