

16<sup>th</sup> January 2017

Dear Parents/Carers,

## English as an Additional Language Workshop

We would like to invite you to attend a workshop on **Wednesday 15<sup>th</sup> February** from **9.00am – 10.15am** in the main hall. The purpose of this workshop is to gain a better understanding of how we support your child in EYFS (Early Years Foundation Stage) with their acquisition of the English language.

We would like to offer you advice and strategies that you can use to help your child through communicating in your home language, while carrying out simple activities to help them with speaking, reading, writing and maths. We will also be holding a coffee morning after the workshop as a chance to meet with other parents supporting children with an additional language.

If you are able to attend the workshop, please return the slip below to your child's teacher. We hope you can join us on this day for further advice about ways to help your child develop their language skills.

Please note there will be a Punjabi/Urdu speaker available on the day to translate.

Kind regards,

Khadijah Iqbal and Sophie Roberts  
EYFS Class Teachers
