Announcements

Camping Equipment

We are going to be changing our outdoor role play into a camping site ready for next half term. If you have any old camping equipment/sleeping bags we would be grateful for the donations.

Creative Table

Our nursery children love making new things. We are running out of boxes for them to use. If you have any spare boxes, lids, or bottles please could you leave them with a member of the nursery team.

Thank You!

The Nursery team would like to say a BIG thank you to all parents/carers. The first term in Nursery can sometimes be a difficult transition period for some children. We feel very proud of their achievements and can see the progress they have made. We can't wait to have more fun next term!

Fortnightly Family Task

We can't wait to hear all about what you have been up to over the holidays!

Can you draw a picture of your favourite activity you did?

You could have a go at writing your name at the bottom of your picture.

Happy Holidays Everyone!

If you have any questions please speak to your child's teacher.
