Dear Parents/Carers,

## Parent Feedback Coffee Mornings

As part of our dedication to improving communications between school and our parent community, we are looking to start holding parent feedback coffee mornings on a trial basis. These informal sessions will be an opportunity to share feedback with school, and to get information about specific subjects that may be of concern to parents and carers.

Based on the suggestions we received from parents last term, we have scheduled the following 'themed' sessions. If you are unsure as to which session you should attend, please speak to the office.

<b>19<sup>th</sup> April</b>	9:00-10:00am	Pastoral (with Debbie Carter & Lisa Cameron)
<b>26<sup>th</sup> April</b>	9:00-10:00am	Curriculum (with Sarah Turner)
<b>3<sup>rd</sup> May</b>	9:00-10:00am	School Finance and Investment (with Sarah Nicholls & Kerry Tevlin)
<b>17<sup>th</sup> May</b>	9:00-10:00am	School Leadership (with Jon Beisly)
<b>7<sup>th</sup> June</b>	9:00-10:00am	Session for Urdu speakers (with Rabina Ahmed)

Please note that, although we will try our best to answer any questions you may have on the day, there may be some queries that we will need to consult other staff on before we get back to you with a definitive answer.

If you would like to come along to any of these sessions, please return the reply slip below to the school office so that we can get an idea of numbers at each session.

Kind regards,

Ellie Linton  
Communications & Marketing Manager
