

17th November 2016

Dear Parents/Carers,

Reception Mathematics Workshop

We would like to invite you to attend a Mathematics Workshop on **Wednesday 30th November** from **9:00am to 10:00am** in the main hall. The purpose of this workshop is to gain a better understanding of how we deliver mathematics sessions in Reception through short, fun and interactive games.

We will talk about how you can help support your child at home and show you simple resources which can be used to do so. We will also be giving out a helpful resource pack for you to take home and use.

We would appreciate if you could fill in and return the slip below to your child's teacher. In the past, feedback has told us that families really value the information provided in these workshops. We strongly recommend that you or someone in the family attend this session if you are able to, to ensure your child will make good progress in their Reception year and that we are working in partnership.

We look forward to seeing you there.

Kind Regards,

Laura Tracanna
EYFS Phase Lead

Reception Mathematics Workshop
