

The Hoot

Year 2 edition

27/2/2017

Announcements & Reminders

Our revised topic web went out last week. Our topic for Spring 2 is "Africa"

If you are able to support on our visit to the Easter Experience at St Clement's Church please let your child's class teacher know.

2KB – Mon 6/3 (pm)

2JD – Tues 7/3 (pm)

2SH – Wed 8/3 (pm)

English

Book of the week: Katie Morag

We will be learning how to: Use our inference skills to write a character description. We will also be using the book to find out the meaning of new words.

How to support your child: When reading stories ask them 'how' and 'why' they know something—getting them to use examples from the book

Maths

We will be learning about: Division (week2). The children need to recognise the \div sign and answer questions by sharing. We are also beginning to learn division facts for the 2, 5 and 10 times table.

Key vocabulary: Divided by, share, share equally, group, division.

How to support your child: Make sure they know their 2, 5 and 10 times table (as we will be looking at the inverse operation)
