### Hit the button

A great game to help children with their times tables, division facts and number bonds can be found at [www.topmarks.co.uk/maths-games/hit-the-button](http://www.topmarks.co.uk/maths-games/hit-the-button)

### English

*Book of the week:* Why Elephant has a Trunk

*We will be learning how to:* plan, write and edit our own story called 'Why Giraffe has a Long Neck'. We will be making sure we include what, when, why, who and where in our plan and we will be working with our marking partners to polish our stories.

*How to support your child:* When reading, talk about who, what, where, why, when to make sure they understand these terms.

### Maths

*We will be learning about:* word problems related to addition, subtraction, division and multiplication.

*Key vocabulary:* add, plus, more, altogether, left, less, take away, difference, groups, sets, times, share, group

*How to support your child:* Make sure they have a really good understanding of the vocabulary above. What kind of questions would they apply to (addition, subtraction, multiplication, division)
