

19<sup>th</sup> January 2017

Dear Parents/Carers,

## Facebook Group for Parents of ASC Children

I am writing to let you know that we have set up a Facebook group for parents of children with ASC (Autism Spectrum Condition). The purpose of this group is to give parents an online space to support and connect with each other. The school will oversee the administration of the group and share useful resources, such as links to events specifically tailored for children with autism.

The group is currently open to all parents to join, and will be made private on Wednesday 1<sup>st</sup> February. From this date only members of the group will be able to see posts and view who else is a member. We want this to be a safe space for you to connect with other parents and carers, should you wish to.

To join the group, please search for 'Oswald Road Group for Parents of ASC Children' on Facebook. If you have any issues locating or joining the group, please let the school office know and we will be please to assist you.

Kind regards,

Ellie Linton  
Communications & Marketing Manager
