

19<sup>th</sup> June 2017

Dear Parents/Carers,

## Science Takeover 2017

On Thursday 6<sup>th</sup> and Friday 7<sup>th</sup> July the children and teachers at Oswald Road will be getting even more investigative and even more curious, as we dedicate two whole days to science exploration!

### Parent/Carer Speakers

The Oswald Road Science takeover is coming...and parents, we need your help! Are you a hairdresser, doctor, vet? Or a professor, researcher, nurse or dentist? We'd love to have you in school to come and talk to our young people about how science helps you in your everyday work. If you could spare some time and would like to visit your child's class on either 6<sup>th</sup> or 7<sup>th</sup> July, please return the slip below to the office as soon as possible.

### Friday 7<sup>th</sup> July - Science Dress-Up

This is a chance for pupils to dress up as their favourite scientist, or anyone that inspires them to want to find out more about the world. You could dress up as a nurse, Albert Einstein, a physiotherapist, Marie Curie, a paleontologist... the list is endless!

On Friday the 7<sup>th</sup> July we'll also be sending home a special science challenge – keep an eye out for this in book bags!

We can't wait to see the pupils get really enthused about their science learning over these two days, and as always we're very grateful for your help in supporting your child's learning.

Kind Regards,

Danielle McArdle and Jen Beech  
Science Team
