Dear Parents and Carers

Visit from Animal Intuition

As part of our Science topic, 'Animals Including Humans' we will be having a visit from Animal Intuition. Children will be able to meet a variety of small animals up close and handle them if they want to. This will be linked to the food web and food chain element of our topic and will be included as part of the talk given to the children.

As there is a cost to this type of visit, a contribution of £2.50 to help cover costs would be appreciated. If we do not receive sufficient contributions, the visit may have to be cancelled. If your child is eligible for Pupil Premium, you are entitled to the visit being funded by school.

The visit will be on Thursday 15th October. Children do not need to bring anything different on this day but if you do not want your child to handle the animals please inform your class teacher.

Please return your slip and payment to the school office in an envelope with your child's name, class, and what the slip/payment is for by 7th October 2015

Kind regards
