

2nd October 2015

Dear Parent / Carer

Book of the Week Information

Each week in Reception we have a 'Book of the Week'. This book is linked to our topic and we plan the children's learning and to-dos around it. We also have a word and letter of the week which we focus on during reading and writing activities.

This information is currently displayed in the classroom, but we know that not everyone drops off/picks up and so, at the suggestion of one of our parents, we will now email this information to you at the end of every week.

We hope this will allow all parents & carers to feel involved in the school day and help you to support your child with their learning.

Please look out for the emails each week.

Kind regards

Jen Dyson
Reception Phase Leader
