

Competition with prizes!

Cover Stories:

A Notebook Decorating Competition

Open to adults and children

Following the great success of our Elephant Parade competition earlier this year, we're excited to invite you to *decorate a hardback notebook*

Buy your notebook (£2.50) and decorate it *however* you fancy!

You might use paint, clay, fabric, decopatch papers or any other material we've not even thought of to cover and embellish it.

The front of the notebook must be decorated, and you can also decorate the back if you wish. If your personalised notebook was inspired by a book or a character in a book, please write this inside for the judges to read.

There are **Make It shop prizes** suitable for children and adults. Your notebook could be a winner in one of these categories:

- * Under 8s
- * 8-11 years old
- * Over 12 including adults
- * Most 'Chorlton' notebook
- * Best local organisation or business

Bring your decorated notebook to the shop to enter the competition. You will get it back!

Deadline: 27 November—but please try to bring it in before then so we have a good display.

Judging: The Chorlton Traders Association will be judging on 30 November.

This competition is part of Chorlton Book Festival which runs from 20-28 November.

Please ask for a programme of events.
