Dear Parent / Carer

Changes to Year 3 Homework

In addition to our learning logs, we have introduced skills tests in spelling, maths and grammar to support the high expectations required from the new National Curriculum. The children will bring home spelling, maths and grammar which they have worked on collaboratively in class. We hope you'll find these resources informative about the new curriculum content.

How to use the grammar hammer and skills check

The above don't need to be completed again, but it would help your child if you address questions they found challenging and encourage them to talk to you about what they have done. These checks are followed up with the children completing them independently at school.

There is no need to stick these materials into the homework books or return them to school.

Learning log homework books

Your child should place their book in the homework box on the due date given so that it can be marked. Your child knows where the homework boxes are kept and are reminded on the due date to put them in the box.

We would like to thank you for all your support and if you have any further questions, please do not hesitate to contact us.

Kind regards,

Sharon Griffith (3SG), Channi Davis (3CD) and Satnam Singh & Leanne Eldridge (3SE)

Inspiration & Success
