Friday 25th March and Monday 28th March – Bank Holidays

Friday 1st April – School Closes

Reminders:

Osroald Dahlicious - Last week in Reception, the children had lots of fun chocolate making and taking part in lots of exciting activities during Osroald Dahlicious Week. We also looked at some real life money and opened our very own shop in our Maths Areas.

Mad Science - Next Tuesday, the children will be taking part in some very exciting Mad Science Workshops which will be launched in an assembly at the start of the day. If you haven't yet sent back your child's permission slip and any funds, please can you do so as soon as possible. Children are welcome to come in dressed as scientists on this day! (Tues 9th Feb)

Small World Toys – We are looking for donations of small world figures and houses/castles etc. If you have any unwanted toys in good condition, please can you send them in to your child's class teacher. Thank you.

Weekly Family Task:

Shapes, shapes everywhere!

Our children have loved investigating shapes week, so why not go on a shape walk around your house and investigate the shape of everyday objects. You could also make a shape picture like this one created by one of our fantastic children!

Bonus Task – can they then label each shape.

If you have any questions please speak to your child's class Teacher.

Kind regards ~ The Reception Team
