Dear Parent / Carer

3SE Forest Crew Sessions

Dear Parent or Carer,

This term 3SE will be taking part in weekly Forest Crew sessions at Chorlton Ees.

This will start on **Friday 22nd April 2016** and will run for a total of **8** sessions weekly, each **Friday**.

The children will be walking to Chorlton Ees with school staff and helpers, to tackle outdoor activities and challenges.

- Bear in mind the weather is unpredictable and you should help your child to be well prepared! Below is a recommended list of essentials, so that they are cool/warm enough and dry and comfortable during the sessions and able to engage.
- Also, please sign and return the consent form (attached).
- **MEDICINES AND HEALTH ISSUES:** Please ensure your child has any necessary medication e.g. asthma inhalers in school.

Your child should bring their Forest Crew kit to school with them each Friday. They will get changed into their kit at the end of lunch time, ready to walk to the woodland in the afternoon.

In order to offer this valuable outdoor education we need 2 parents to come with us each week. If you can come for all or some of the weeks please see your child's teacher. Your help would be very much appreciated.

Kind Regards,

Anna Wilson
(Year 5 teacher in charge of Forest Crew.)

RECOMMENDED ESSENTIALS

Please make sure you follow these recommendations and help your child to be prepared:

CLOTHING:

- **NOTHING THAT YOU MIND GETTING WET OR DIRTY OR SNAGGED**
- **WATERPROOFS:**
 - Essential – waterproof jacket. Desirable – waterproof overtrousers
- **FEET:**
 - If you have them, walking boots or snow boots are great; but good fitting wellies with two or three pairs of warm socks are fine as long as it is not too cold. Old trainers (but not thin-soled pumps) can be okay if the weather is dry and warm. No school shoes – they will take some punishment.
- **BODY AND LEGS:**
 - **1. Underlayers:** If it is cold, use layers of thermals if you have them (legs and body); tight t-shirts; jumpers and fleeces
 - **2. Over Layers:**
 - If it is cold, use warm coats, gloves, scarf, hat
 - Old pair of long trousers/jeans to protect from thorns and nettles – Not school trousers

OTHER STUFF: Your child may want to bring a rucksack with:

- Plastic drink bottle with water or thermos with a hot drink.
- Fruit or other snack.
- Any spare clothes and waterproofs.
