

21st March 2016

Dear Parent / Carer,

Mosaic Mentoring Programme

We are delighted to inform you that your daughter has been selected to take part in the prestigious Mosaic Mentoring Programme. As part of this programme we would like to invite you (mum/aunty/grandma) to attend the course with your child.

His Royal Highness the Prince of Wales founded the programme in 2007 with the aim of creating opportunities for young people. The programmes are delivered by volunteers from the business and public sectors and will help to further lift the aspirations of your child.

By linking young people with mentors, the programme aims to boost their confidence and build their skills.

Mosaic operates all over the UK and internationally; it is an initiative of Business in the Community (BITC) and is part of the family of charities overseen by The Prince's Charities, the largest multi-cause charitable enterprise in the United Kingdom.

You and your child will attend ten one hour mentoring sessions during school and will meet with successful leaders from different backgrounds.
