**Phonics Focus:** s,a,t,p

**Maths Focus:** Length - comparing objects according to their length.

## Announcements & Reminders

**Reading Books-** After half term we will be sending a story book home for you to share with your child. This will help prepare the children for reading books, allowing them to get into a routine to sit and read with a family member. Please ensure your child has their book bag in school with their reading diary signed on their book changing day otherwise we won't be able to change it.

**Rabbits' & Badgers' books will be changed every Wednesday.**

**Hedgehogs' & Squirrels' books will be changed every Thursday.**

**Recycling-** If you have any spare boxes, plastic bags, bottles, bottle tops or cards around your house the nursery creative box would be very grateful for your donation!

**Good News!-** We love hearing about what your child has done at home that made you smile! We have postcards near the parent board for you to fill in with a quick message if you see your child doing something that makes you proud! We stick these into their learning journeys to form part of their assessment.

## Fortnightly Family Task

We love to hear all about your adventures and what you have been up to during the school holidays. You could draw a picture for your teacher showing her something you did. Have a go at writing your name at the bottom of your picture.

Bring them in to show us, we would love to add them to our 'WOW wall'.

If you have any questions please speak to your child's keyworker.
