Dear Parents/Carers,

## After School Maths and English Tuition – Year 3-6

We have been asked by a parent if there is the possibility of running Maths and English tuition classes after school for children in Years 3-6.

We realise that some parents pay a lot of money to tuition providers and it would be more beneficial if children could stay in the same environment to get that extra bit of help via a club. We have looked at various providers and the cost for a 10 week course would be approximately £45.00-£60.00 per child per subject.

We would be grateful if you could complete the attached slip so we can assess whether there are enough children who would be interested in taking up this opportunity.

Kind regards

Helen Wright  
Office Manager
