given number to 10, recapping number sentences.

Announcements & Reminders

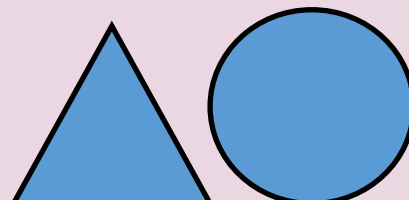

Reception places

We are fast approaching the end of the school year, and what a fantastic year it has been so far! Now that reception places have been offered out to parents, we would like to remind you that if you would like to accept your place then this needs to be done by telephone. The deadline to do this is Friday 28th April 2017.

Weekly Family Task

We have been learning a lot about repeating patterns. What repeating patterns can you create using the following shapes? Your patterns could be triangle, circle, triangle, circle? Or you could even create a three way pattern and add another shape such as triangle, circle, square, triangle, circle, square.

If you have any questions please speak to your child's keyworker.
