Our Book of The Week: The Lion
Inside

Word of the week: out

Announcements

Spellings

To begin preparing the children for their move to Year 1, we will be sending out a sheet of spellings per week. We will ask the children to practise 7 words, commencing with tricky words that they are familiar with. The children will be tested informally during a phonics session.

PE Kits

After Easter we will begin changing for PE. Please ensure your child has a bag on their peg for the whole duration of the week, clearly labelled. This should include a t-shirt, shorts and suitable footwear.

Fortnightly Family Task

Choose something to measure in your household. What will you measure this with? A ruler? Some unifix cubes? Some strips of paper? A tape measure? Take a photo of you measuring something in your house.
