Upcoming Events

World Day for Cultural Diversity is on the 19th May. We hope to see you there!

English

Book of the week: The Snail and the Whale

We will be learning how to: write for different purposes including a diary entry, a description and a story. We will be encouraging the children to use all the skills they have learnt this year in each piece of writing.

How to support your child: Spellings are making a comeback this week! Please help practise and learn them. Encourage them to write the words into sentences so that they are applying their knowledge.

Maths

We will be learning: Over the next few weeks we will be revising things we have learnt this year. Next week we will be looking at the value of coins, giving change and filling in missing numbers on a number line.

Key vocabulary: Money: all coins, difference, change, left. Missing number: half way, scale, steps.

How to support your child: Make sure your child knows the values of all the coins and how many pence are in one pound. Make amounts of money with different coins (eg. How many different ways can you make 34p?)
