Announcements & Reminders

Start of the Day: Our nursery doors open at 8.45 and we sit down to complete the register at 9.00. During the 15 minutes prior to carpet time please assist us by taking some time to show your child the daily routines including hanging their coats up and putting their belongings away. We ask that when you hear the tambourine shake you say your goodbyes and allow your child to sit in their keyworker area.

Coats & wellies: With summer coming to an end we are preparing ourselves for lots of rainy days! Please ensure your child has a waterproof coat in school and if possible a pair of wellies. This will allow us to splash in puddles and experience different types of weather!

Spare Clothes: Please ensure your child has a spare set of clothes on their peg. This will help us to assist changing your child should they have a toilet accident or become wet through water/messy play.

Fortnightly Family Task

We can't wait to start our topic 'I am Special' now that transition is over!

Your task is to find a photo of your family and bring it into school. We are going to be talking about our family and who is special to us.

We would like to keep the photo you send in for a display board so if you require it to be photocopied please just let us know!

If you have any questions please speak to your child's keyworker.
