Dear Parents/Carers,

Year 2 Trip to Sealife Centre

As part of our 'Under the Sea' topic we will be visiting the Sealife Centre in Manchester. Thank you to those parents who shared their feedback about the cost of trips- the majority of the feedback has indicated that parents are happy for this trip to go ahead. We are sure that it will be an exciting, informative and interactive day for all the children. On the day, as well as exploring the Sealife Centre, the children will be taking part in an educational workshop called 'Home Sweet Home', where they will make their own marine habitats, making sure the creatures within it have everything they need to survive.

The dates for the trip are as follows: **2JD – Thursday 25th May**

2SH & 2KB – Friday 26th May

We will be leaving school at 9:00am and travelling by bus to the Sealife Centre. We will be back in time for the end of the school day. A packed lunch will be required for the trip. All children can be provided with a free school packed lunch, however you may provide your own if you wish. Please indicate on the form below as school lunches have to be ordered in advance.

A contribution of **£10.00** to help cover the costs will be appreciated. If we do not receive sufficient contributions the trip may have to be cancelled. If your child receives Pupil Premium, you are entitled to the trip being funded by school. Please return your slip and payment to the school office in an envelope with your child's name, class and Sealife Centre written on the front, by **Thursday 18th May**. Alternatively, payment can be made online via SIMS Agora.

School jumpers are to be worn for the visit. If a child arrives on a school trip without their school jumper, appropriate clothing to assist in immediate identification of any pupil attending a trip will be provided. Finally, we will need a few parent helpers on the day. If you are able to help them please indicate this on the reply slip below.

Kind regards,

Jen Dyson, Natalie Hickman, Helen Savage and Kathryn Whalley Ben Halima
