Dear Parent/Carer

## World Fit Pilot- 3SE

I am writing to let you know that your child will be participating in a pilot scheme to get more children active in Manchester. World Fit is organised by the World Olympians Association and Manchester City Council, and is also being delivered to children in America and Singapore.

The programme will run to the end of this half term, and children will be asked to log in to the World Fit website and record the amount they have walked on a daily/weekly basis. The challenge is to encourage children to walk as many miles as possible during this time, in addition to engaging in physical activity outside of school.

You can support your child by encouraging them to walk as much as they can, and also partake in any physical activity over the next few weeks. Your child will be given personal login details to the online portal via which the amount of physical activity they do can be recorded.

To log in to the portal, please go to: <http://www.worldfit.org/activities/public/account>

Personal Login I.D: orp

Password: wfuk

This is an exciting event for schools in Manchester, which coincides with the Olympic Games in Rio, and we are lucky to have this opportunity.

Kind Regards,

Satnam Singh  
Year 3 Teacher
