

26<sup>th</sup> January 2017

Dear Parents/Carers,

## Year 4 Visit to Longford Park

As part of our Year 4 science topic 'Living Things and their Habitats' all three Year 4 classes will be visiting Longford Park on the afternoon **Thursday 16<sup>th</sup> February**. During this visit the children will be investigating different habitats and recording the data about the different creatures they discover.

School jumpers are to be worn for the visit. If a child arrives on a school trip without their school jumper, appropriate clothing to assist in immediate identification of any pupil attending a trip will be provided. Given the time of year, please also ensure that you dress your child in waterproof clothing and wellingtons/suitable shoes.

Finally, please indicate on the reply slip below if you would be happy to accompany your child's class during the visit.

Kind regards,

Jen Beech, Luke McDonagh and Sarah Millward  
Year 4 Teachers
