30/1/2017

Our Book of The Week: The Three Billy Goats
Gruff

Phonics Focus: writing cvc words/initial sounds.
For example: jug, cap, pet, tap.

Maths Focus: 1 less than a number

Announcements & Reminders

Spare Clothes

Please ensure your child has a set of spare clothes on their peg. This is really important to help the Nursery team when we are having to change children due to toilet accidents/wet weather. If your child has been sent home recently in Nursery clothes please can you ensure they are returned as we are slowly running out of spare clothes.

Junk Modelling

Our Super Learning Week maths day is going to be based around a book called '006 and a Bit'. We are going to be spies for the day, cracking codes, tallying up things we can find etc. We would love to make some magnifying glasses/binoculars on our creative table. If you have any junk modelling clay hanging around your house we would be grateful for your donation!

Toys

Please can we ask that children do not bring toys in from home. We have had a couple of incidents this week where toys are going missing or being broken. This takes up our learning time when trying to resolve these situations. We do regularly tell the children that toys should not come into school but we would appreciate for you to also remind your child before they leave for school in the morning.

Weekly Family Task

This week we have been looking at 1 more than a number. We have been using our fingers, number lines or counting on in our heads to help us work out the answers.

See how many numbers you can spot in the environment.

Can you work out what one more than that number is?

If you have any questions please speak to your child's teacher.
