Reminders:

Author Visit at Chorlton Library: Tuesday 7th June, Julia Jarman author of 'The Big Red Bath'. We require 3 more adults to help us on the day from 9.30am–10.30am.

Let's get planting! – As the days are getting warmer we are spending more time outside. We would like to brighten our outdoor environment up by planting some flowers/seeds. If you would like to get involved or donate any bedding plants we would love to hear from you.

Summer Days – As we are getting more sunshine please can you provide your child with sun cream to use whilst playing outside. Please make sure the sun cream is clearly labelled with your child's name.

Spare Clothes – We realise the children have grown so fast! If you have any unwanted clothes, please could you donate them as spare clothes for our Nursery.

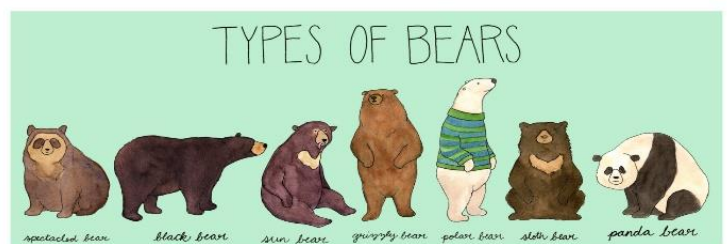

After School Hours – It takes a long time for teachers and children to tidy the nursery inside and outside at the end of each day. We have noticed that some resources are being used at the end of each day. Please ensure you remind your child that these are not to be touched.

Fortnightly Family Task: In preparation for our next topic 'Bears', we would like parents to help their children find out **a fact** about their favourite type of bear. This could be a polar bear, a panda bear or a grizzly bear!!!!

Where could you look?

- On the computer
- At the library

Can you draw a picture of your of your favourite bear?

If you have any questions please speak to your child's class Teacher.

Kind regards The Nursery Team
