

The Hoot

Year 2 edition

Wb: 1/5/2017

English

Book of the week: The Fish Who Could Wish

We will be: writing a letter to the author (John Bush) to tell him our favourite part of the story and ask him lots of questions.

How to support your child: We are doing lots of writing at the moment and are trying to develop our stamina. You can help your child by talking to them a lot about what they will write and how they will structure their work. The more they talk about it beforehand the better their writing will be!

Maths

We will be learning: Over the next few weeks we will be revising things we have learnt this year. Next week we will be looking at time, fractions and subtraction.

Key vocabulary: Time: quarter to, quarter past, o'clock, half past. Fractions: half, quarter, third, whole. Subtraction: take - away, left, less, minus.

How to support your child: Help them practise 10 less than a number (mentally) and encourage them to work out some sums mentally (eg: $24-13=$) by taking away the ten first and then the unit.

Upcoming Events

World Day for Cultural Diversity is on Friday 19th May. We hope to see you there!

Trip to Sealife Centre:

2JD—Thursday 25th May

2KB/2SH—Friday 26th May

Tip: Encourage your child to retell stories they have read, that have been read to them and even TV shows. Being able to retell confidently will help them with the structure of their writing.
