School Nurse Hand Wash Workshop- The school nurse will be coming in to speak to us about the importance of washing our hands and teaching us how to do this thoroughly.

Oswald Road

Word of the week: all.

Sounds of the week: igh, oa, oo.

Announcements & Reminders

Reading Books: Please ensure reading books are brought into school every day not just on book change days. Whenever adults have an opportunity, they will read with the children and we also have parent reading volunteers who are assisting us now with listening to children read.

Naming clothes: Lots of school jumpers, cardigans and book bags have been lost. The children move around the school a lot throughout the day so please help us ensure that we keep personal belongings safe by naming everything.

Junk Modelling: If you have any junk modelling boxes which can be donated, please leave them with your child's class teacher.

Stretch & Grow: Please be aware that after February half term we will no longer be running Stretch & Grow sessions in school.

Fortnightly Family Task:

When you go to the shop with your grown up, please help find the correct coins to pay for something in your shopping basket.

Which coins can you recognise?
