## Announcements & Reminders

### British Values Day

We are holding a British Values Day on Monday 3rd July to celebrate the four British Values implemented into our school lives every day: democracy; the rule of law; individual liberty; and mutual respect and tolerance for those with different faiths and beliefs and those without faith. Children are allowed to wear something either red, white, blue or their own cultural clothes. Throughout the day, the children will be taking part in lots of fun and enjoyable activities where the children can learn about these values.

## Weekly Family Task

As the Nursery year is almost finished, we are talking to the children about their move to their new classroom. To support your child with transition, please could you spend time talking to them about their new teacher and classroom? Have a go at drawing a picture to give to your new teacher.

If you have any questions please speak to your child's teacher.
