Maths Focus: Repeating patterns, positional language.

Announcements & Reminders

Lunchtimes

Now that our Nursery children have become so grown-up, we have decided to allow the children to line up to collect their dinner by themselves. We feel this will be a good opportunity for preparation for Reception and to become even more independent learners. Please could you discuss this with your child if they have a school dinner so that they feel prepared. We will also remind them when they return after the holidays.

A BIG THANK YOU!

We would like to extend our thanks to you all for your continued support and kind contributions towards our Nursery fund. The children have greatly benefited from all your contributions. We have used the money to purchase Easter craft items, fruit and vegetables for food tasting and different mark-making tools for our outdoor area. A big thank you to everyone!

Weekly Family Task

What numbers can you spot in the environment or when you are out and about? Can you spot any teen numbers? Have a go at writing them down next time you go out with your grown-ups! Numbers are everywhere we go! Can you also put your numbers into order starting from the smallest?

If you have any questions please speak to your child's keyworker.
