Maths

We will be learning about:

Consolidation of all areas taught so far. This is time to recap, recover and readdress any misconceptions.

Key vocabulary:

Add, subtract, take away, divide, times, 2D and 3D shapes, o'clock, half past, more than, less than, pence, pounds

How to support your child:

Recap any taught topics so far in practical ways e.g. adding money, find more or less of an amount of cubes, find shapes in the environment.

English

We will be learning about:

Our holiday news and reading comprehension.

How to support your child:

At the end of the holidays recap on all the fun memories you have had, encouraging your child to say them in full sentences, adding interesting detail.

Read some books, with your child, ask them to stop half way through and predict the rest of the story.

Whilst answering questions about the text encourage them to take direct words from the text to support their answers.

Phonics

Next week's sounds:

Next week we are learning alternative pronunciations of ear—**ere** (here) and **eer** (cheer) and air—**ear** (pear) and **are** (care).
