Ouch in my Pouch

Word of the week: Little

Sounds of the week: Recap

Announcements & Reminders

Knowsley Safari Park Trip

Please hand reply slips into the office as soon as possible. We have currently have very few responses and would need more for the trip to be viable.

Trip Volunteers

We require more adult volunteers for our trip. Please let your class teacher know if you are available and have a current DBS.

PE Kits

Please ensure your child has a bag on their peg for the whole duration of the week, clearly labelled. This should include a t-shirt, shorts and suitable footwear.

Transition

As we prepare for the next academic year, teachers will be going out to visit new children that will be joining Oswald Road from other settings, so please note that if your child's class teacher is not in, it will be for this reason. This will not be for the duration of a whole day. Any important messages can be passed to the class teaching assistant.

Fortnightly Family Task

We are currently learning about animals from different parts of the world. Next week we will be looking at Australian animals. How many different Australian animals can you think of?
