

6<sup>th</sup> March 2017

Dear Parents/Carers,

## Forest Crew Parent Helper Required

As some of you may already know, our Year 3 classes take it in turns each half term to attend Forest Crew sessions. This involves the children walking to Chorlton Ees on a Friday afternoon to play games and do outdoor activities to build their resilience, confidence and teamwork skills.

We are looking for one parent helper to commit to come along to support our staff each Friday afternoon at Forest Crew. The sessions will take place whatever the weather, so if you volunteer you would need to be comfortable getting muddy and wet if necessary!

The volunteer **would not need** to have a child in Year 3, but they would need to commit to coming along **every week from 1:00pm-3:15pm**. If you are interested, please indicate on the reply slip below.

We will arrange for the designated parent helper to have a DBS check, should they not already have one.

Kind regards,

Jon Beisly  
Acting Headteacher

---
