

The Hoot

Year 2 Edition

Wb: 5/6/2017

Announcements & Reminders

Wednesday 7th June — 2SH Trip to Central Library (pm)

Friday 7th July—2SH Trip to Staircase House

Monday 10th July —2JD & 2KB Trip to Staircase House

Pick Up

If your child is being picked up by a different adult or going to a friend's house please can you let the teacher know ahead of time. The message needs to come from an adult, not a child. If you are unable to catch the teacher then a message can be left for them at the school office or by phone or email.

English

Poem of the week: Ring a Ring o' Roses

We will be: Using our comprehension skills to work out the meaning of the famous song. We will then be writing our own verse using information we will be learning about the plague.

How to support your child: Teach them the nursery rhyme and talk to them about its meaning. Help them to come up with ideas for a second verse (maybe about the beak doctors).

Maths

We will be learning about: Measuring capacity and temperature. We will be making our own 'under the sea' potions by measuring liquids accurately and reading scales. We will then be measuring the temperature of liquids in different states and doing a temperature investigation.

Key vocabulary: millilitre (ml), litre (l), full, empty, half full, half empty, estimate, thermometer, degrees, centigrade, scale and minus numbers.

How to support your child: Let them look at the different types of scales in the house (eg. measuring jugs, weighing scales and thermometers) and explain that scales don't just go up in 1s.
