

The Hoot

Year 1 Edition

Wb: 5.6.2017

Announcements & Reminders

The Year 1 Phonics Screening is next week.

Please continue to support your child with reading a range of real and nonsense words using all the sounds the children have been learning.

Maths

We will be learning about: Number bonds to 20

Key vocabulary: Number bonds, add, take away, how many more to make?

How to support your child:

Using visual aids (if necessary), help your child to be able to quickly recall all the ways of making 10, e.g. $1+9=10$, $2+8=10$ etc.

Look at how their knowledge of this can help them recall corresponding subtraction facts, e.g. $10-9=1$, $10-8=2$.

Then extend this to show them that if they know their number bonds to 10, this can help them with number bonds to 20, e.g. if you know $3+7=10$ then this can help you work out $13+7=20$.

English

We will be learning about:

Making up our own fantasy stories.

How to support your child:

Ask them what elements of the story they have looked at each day. Can they describe their character and setting to you?

Encourage your child to be creative and imaginative when thinking about ideas for their stories!

Phonics

Next week's sounds:

Reviewing all the sounds learnt in Phases 2–5

Looking at what to expect from reading the 40 (phonics screening) words.
