Nursery Edition
10/10/2016

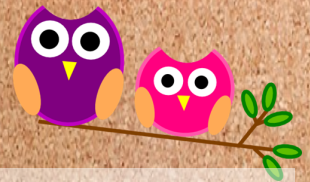

Our Book of The Week: My Five Senses by Aliko

Phonics Focus: Rhyming words

Maths Focus: 2D shapes - square, triangle, circle and rectangle.

Announcements & Reminders

Punctuality – Children should be in school for 8.55am ready to sit down for the register at 9.00am. The red gate which leads onto Nicholas Road will be locked at 9.00am promptly. We appreciate that lateness can happen however this does cause disruption and can delay our teaching and learning. The nursery day ends at 3.15pm. We have noticed there are a number of children who are waiting at the end of the day to be collected. It is important that you are on time to collect your child at the end of the day to allow staff to attend meetings and end of day routines as quickly as possible.

Vegetables—This week we are learning about harvest. We would love to make some vegetable soup with the children. If you could spare any vegetables for cooking we would appreciate the donation very much!

Family Photos—Please can we remind parents/carers to bring in a family photograph for our family wall. Thank you to those who have already brought one in!

Fortnightly Family Task

We have been working really hard this week learning numbers 1-5.

Numbers are all around us! How many numbers can you see?

You could go on a number hunt around your house or out in your local area? Maybe you could take some pictures of the numbers you find?

We can't wait to see which numbers you have found!

If you have any questions please speak to your child's keyworker.
